- Communicate Zoom link right before meeting to catch late additions

Please watch out for bouncing email addresses and let me know

Team Structure

First Meeting

Check participation

- No-shows (without explanation) will be removed

Team Issues

Your team's success

- Steady participation wins the course

Team size does not matter

- Credit points (ECTS) determine time spent

Student Abuse

Do not act as a relay for student requests

- Students should ask us directly if they want something
- You can tell them that I don't take it lightly if they play games
